Subject: USA Ultra Triathlon Virginia World Championship Double Anvil

To our 2020 IUTA World Championship Racers:

We have been thinking about you and hope you and your families are holding up well.

Because of Covid-19, several of you have reached out, inquiring about our plans for the IUTA World Championship Double Anvil race. At this point, we remain committed to putting on a great event for you. We have prize money lined up, have designed a custom bike kit for athletes and are in weekly meetings discussing plans. We will continue to monitor the Covid-19 situation closely, following guidelines set by the CDC as well as our local, state, and federal governments.

Stay healthy, continue training if you have the ability to do so, and let us know how you are doing. We look forward to keeping in touch with all of you and, fingers crossed, seeing you in October! If we do receive any information that the race might not be possible, or if we just do not think that it will be what you might expect, we will reach out.

Standing Together,

Teri, Kirb and Crew
